ANMF NT met with OCPE & DoH to continue negotiating members claims today.

As stated in bulletin 5 last week, a new schedule of future meetings has been provided, with a new date for the 'Employers offer' now scheduled for the 14th September (originally 3rd August) 2022. This date may change if we complete negotiations earlier or if it is delayed.

NTG Wage Policy

It has been made very clear at all meetings that ANMF NT **DO NOT** support the NTG Wage Policy, which is in fact freezing your wages and conditions. The wage policy will only cause harm to the nursing profession into the future, in regard to retaining and recruiting staff, which will in turn put more pressure on an already overburdened health system.

ANMF NT ask members to read the Protected Industrial Action (PIA) information sheet on the ANMF NT website in the member section www.anmfnt.org.au , to familiarise yourself, for any potential action required.

Retain, Recruit, Respect

ANMF NT office will provide updates as the meetings progress, future bulletins will be emailed directly to members and also available on the ANMF NT website www.anmfnt.org.au in the **members'** section.

SAVE THE DATE: NO MORE WAGE FREEZE

Unions NT are organising a NT wide Public Sector day of action

Thursday 1 September 2022

Further information will be sent out soon.
